

# Infrastructure Funding to Support the Implementation of Resilient and Efficient Codes

# What is your familiarity with the IIJA Resilient and Efficient Codes Implementation (RECI) potential funding opportunity? (check all that apply)

I attended the public workshop held April 27

I read the RECI Request for Information but did not provide comments to DOE

I read the RECI Request for Information and provided comments to DOE

I saw DOE or others present on RECI in a different forum

I know little to nothing about the RECI potential funding opportunity
