

DOE National Energy Codes Conference 2015

Advancing Performance Together -
Benefit of new ERI compliance tool in
the Energy Conservation Code (IECC)

In-gre-di-ents for Success

Background for Oversight

- The International Energy Conservation Code (IECC) adopted/use in whole or in part 47 states
- Some AHJ's are faced with challenges providing oversight for energy code compliance
- 2015 IECC Section R406
Energy Rating Index (ERI) Compliance Alternative

Oversight Tool Process

- Applicable authority
- Verification (oversight)
- Reporting
- Additional documentation
- Evidence of compliance (C/O)

ICC Plan to Advance Use of ERI

- ICC Professional Membership
- Complimentary download of the IECC
- Voucher for IECC Certification Exam
- Code Opinion Services
- Member rates on support materials and services
