

2015 IECC and the ERI

2016 DOE National Energy Codes Conference

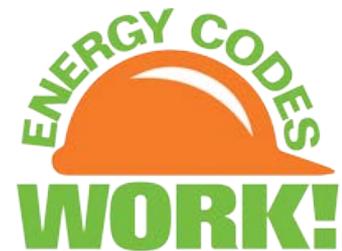

Learning Objectives

- Gain a high-level understanding of the difference between HERS and ERI.
- List items to consider when adopting the ERI Pathway in your state or jurisdiction.
- Learn best practices of enforcing the ERI Pathway from the code department perspective.
- Learn best practices of working with builders and code inspectors to meet the requirements of the ERI Pathway

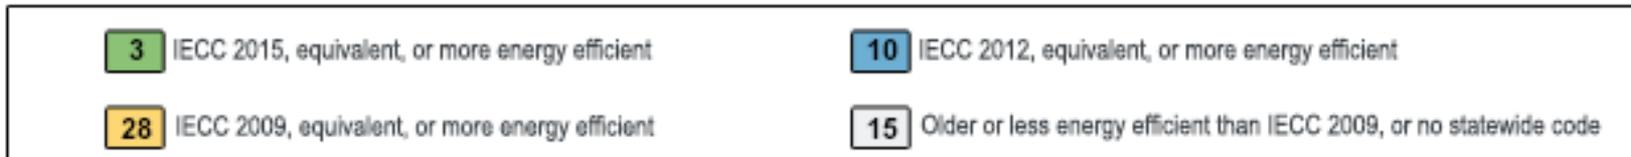

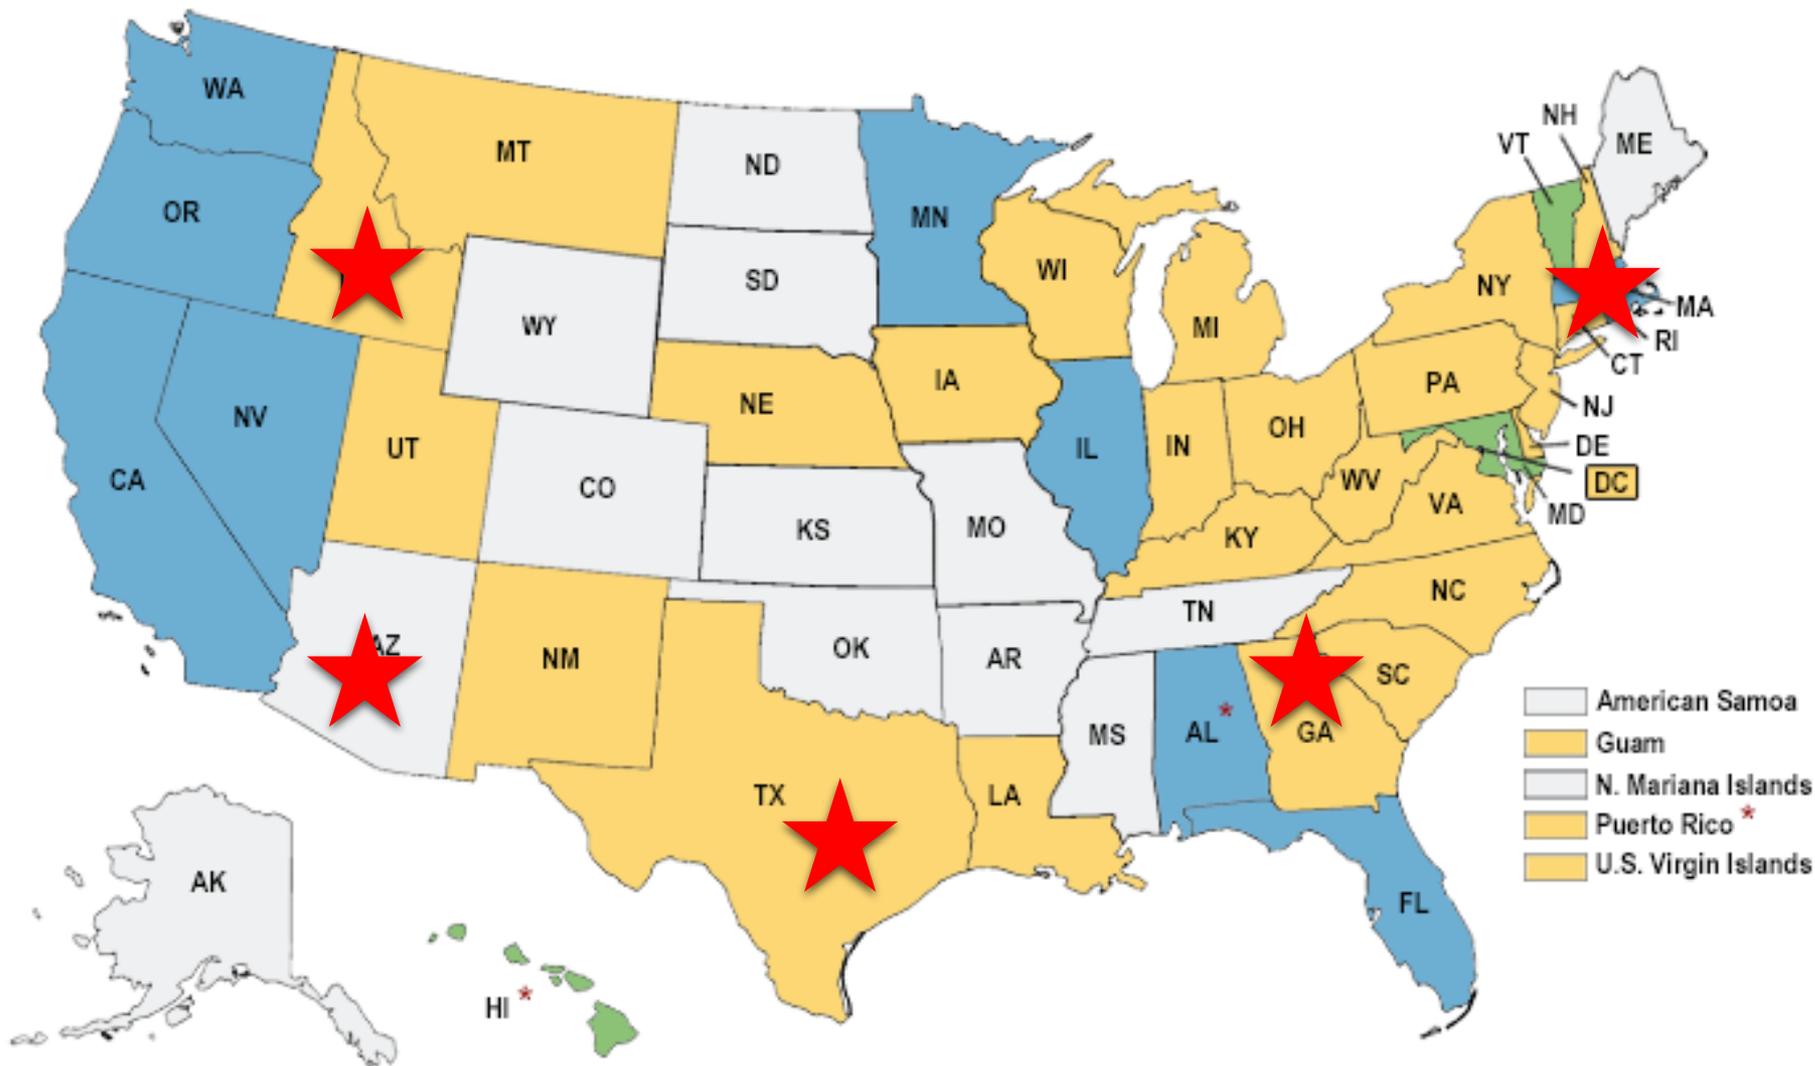

Basic Facts

- ERI: Energy Rating Index
 - HERS: Home Energy Rating System
 - Future Alternatives?

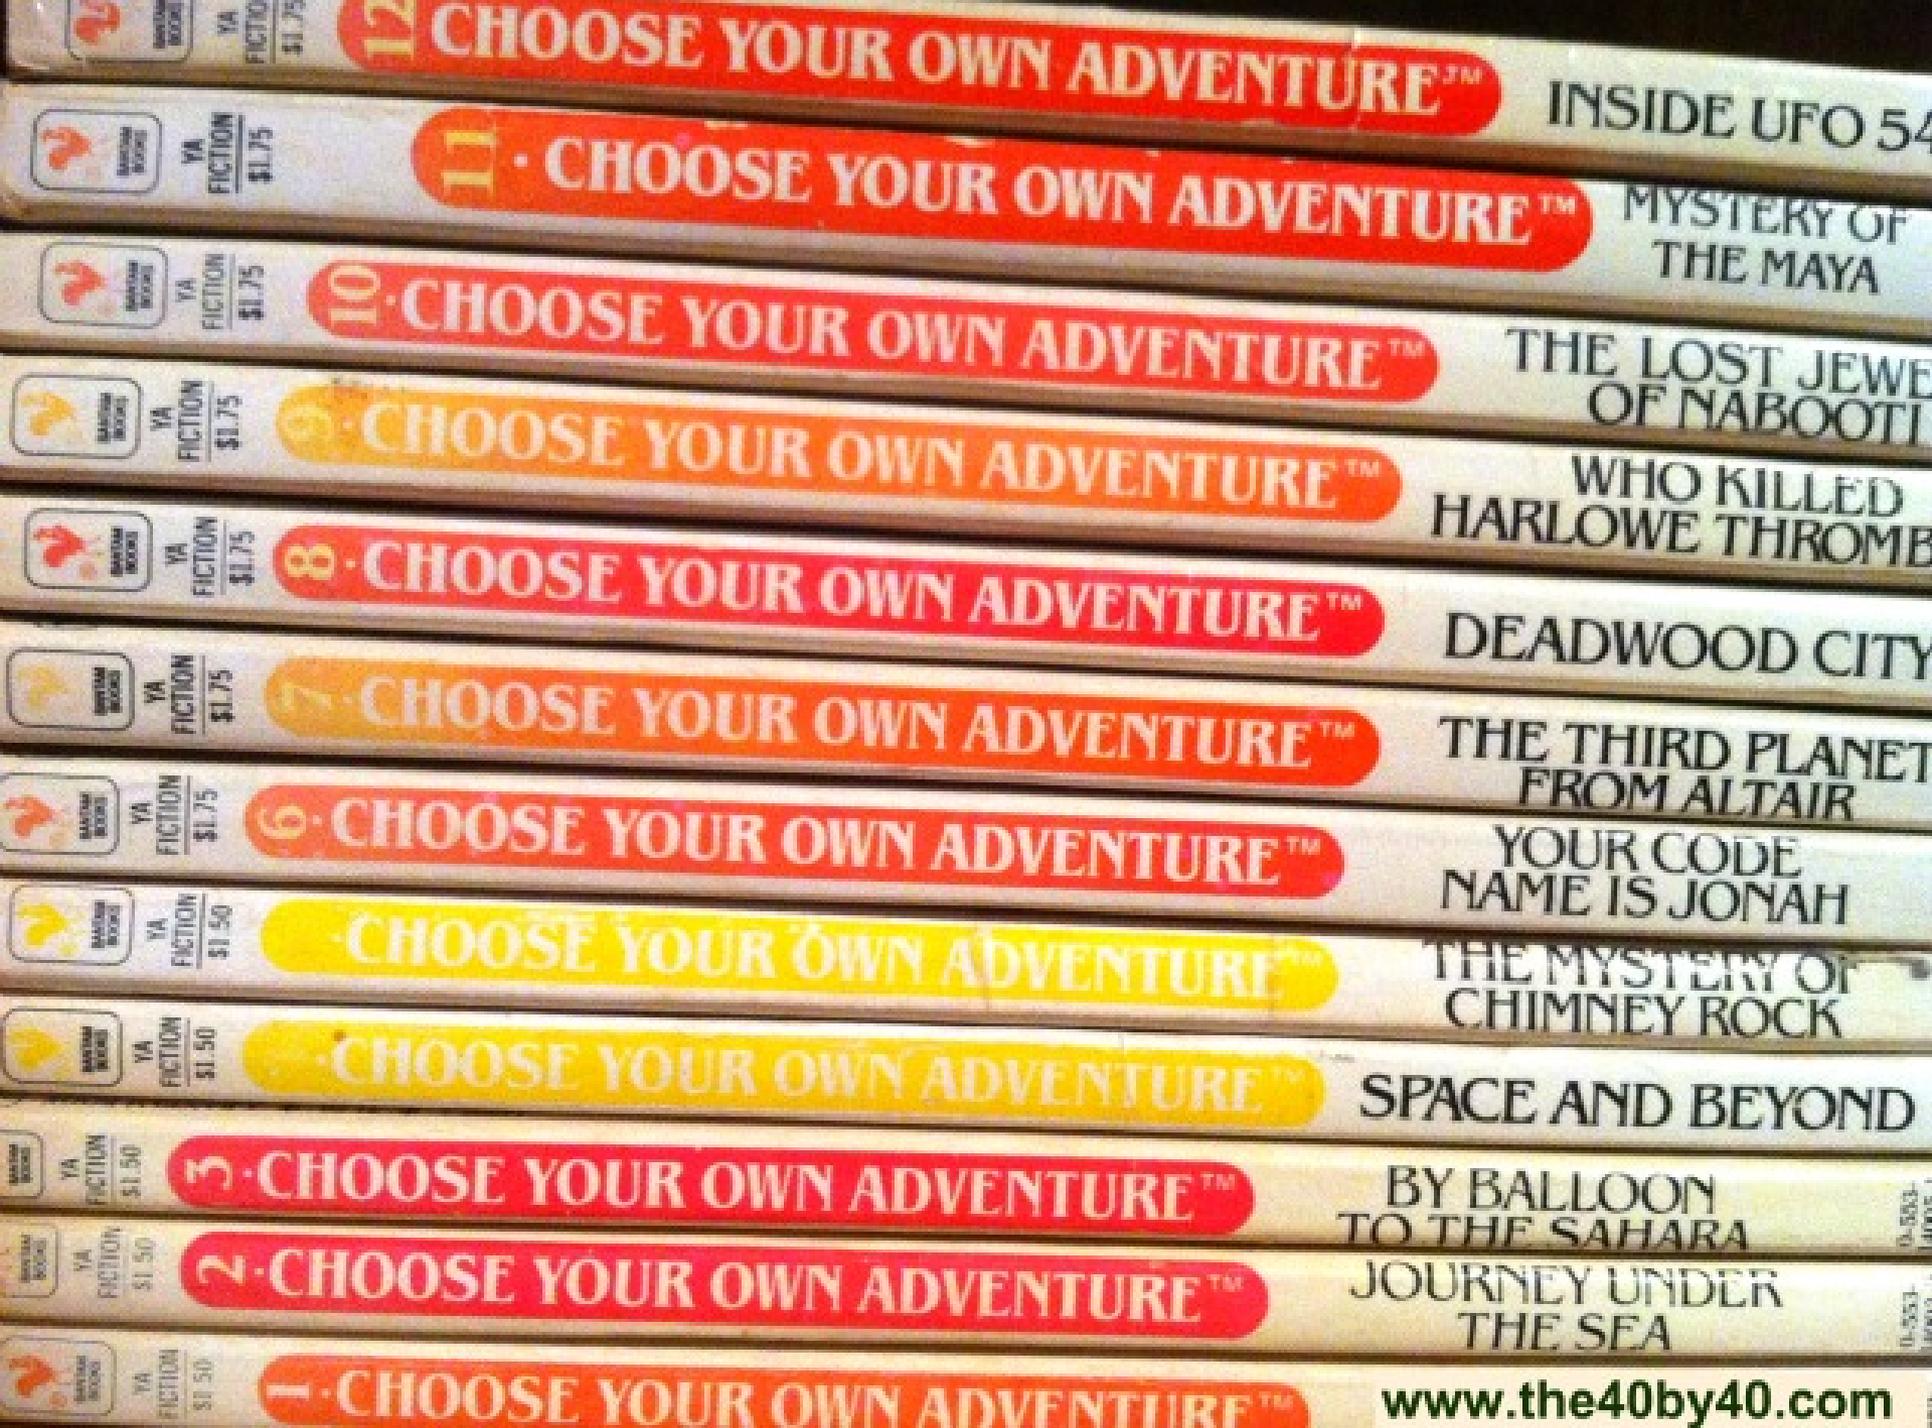

The Panel

- Lauren Westmoreland, SEEA (Moderator)
- Richard Morgan, SPEER
- Sharon Patterson Grant, Eco Edge
- Chris Anderson, Pima County
- Mike Browne, Advanced Building Analysis

* Adopted new Code to be effective at a later date
